Home Care Nurse for the White Bear First Nations

The HCC Nurse is responsible for providing, participating and directing staff in the delivery of a high standard of community health. The HCC Nurse provides assessments for community band members needing assistance at home. The services provided are client and family-focused including initial assessment, one-to-one teaching, treatment, palliative care and rehabilitation to prevent deterioration and promote independence.

The HCC Nurse is part of the Health Care Team and is responsible for liaising between clients, families, community and health-care providers to ensure clients and families understand their conditions and treatment and to ensure band members are receiving the appropriate care. The goal is to minimize the effect of the disability and/or illness and support the independence and well-being of individuals.
